

Building wellbeing into policy and action in Australia

21st to 23rd November, Canberra

Ann Harding Conference Centre, University of Canberra

We welcome all attendees to the *Building wellbeing into policy and action in Australia* workshop.

Connecting before and during the workshop

We will be asking you to use slido before and during the event to help identify priorities for building wellbeing into policy and action in Australia.

You can access slido by either:

- Downloading the sli.do app and entering the code #2801136 to join the event
- Go to [slido.com](https://www.slido.com) and enter the code #2801136 to join the event
- Join the event directly using the following link:

<https://app.sli.do/event/kNXe84Y8TpFzFPAdo8F3RH>

In the week before the workshop, you will receive an email asking you to go onto slido and submit your questions, ideas and views about building wellbeing into policy and action prior to the workshop starting. We will share these with our speakers and challenge them to speak to them, particularly in discussion panels. We will also identify common themes and issues throughout the workshop from your insights.

During the workshop

The workshop is being held as a hybrid online-in person workshop. We will use slido to capture questions to enable easy interaction for both online and in-person attendees. For those attending in person, a map of the campus can be found at <https://www.canberra.edu.au/maps>. The workshop location is in the south-east quadrant of the campus, in Building 24. Paid parking is available in parking area P22.

After the workshop

After the workshop we will produce a short report identifying key priorities for building wellbeing into policy and action in Australia, based on both the workshop discussions, and conducting a post-workshop poll asking participants to rank the importance of different priorities for building wellbeing into policy and action identified at the workshop.

Workshop participants will have the opportunity to endorse the list of actions if they wish to do so.

Queries and contacts

If you have any queries about the workshop, please contact wellbeingsummit@canberra.edu.au

The workshop organising committee are Jacki Schirmer (University of Canberra), Mike Salvaris (University of Melbourne), Geoff Woolcock (University of Southern Queensland), Cressida Gaukroger (Centre for Policy Development) and Robert Tanton (University of Canberra). The workshop is funded by the University of Canberra.
