and Global Governance

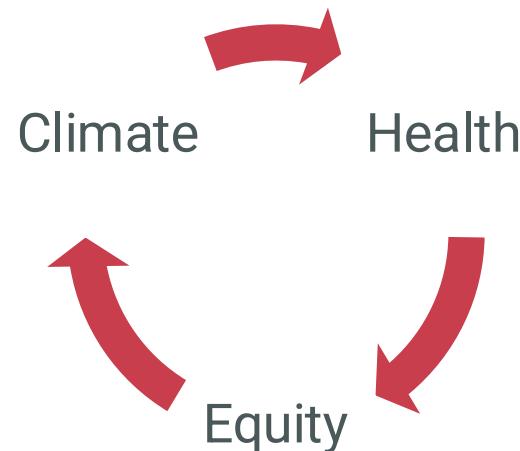

The Planetary Health Equity crisis

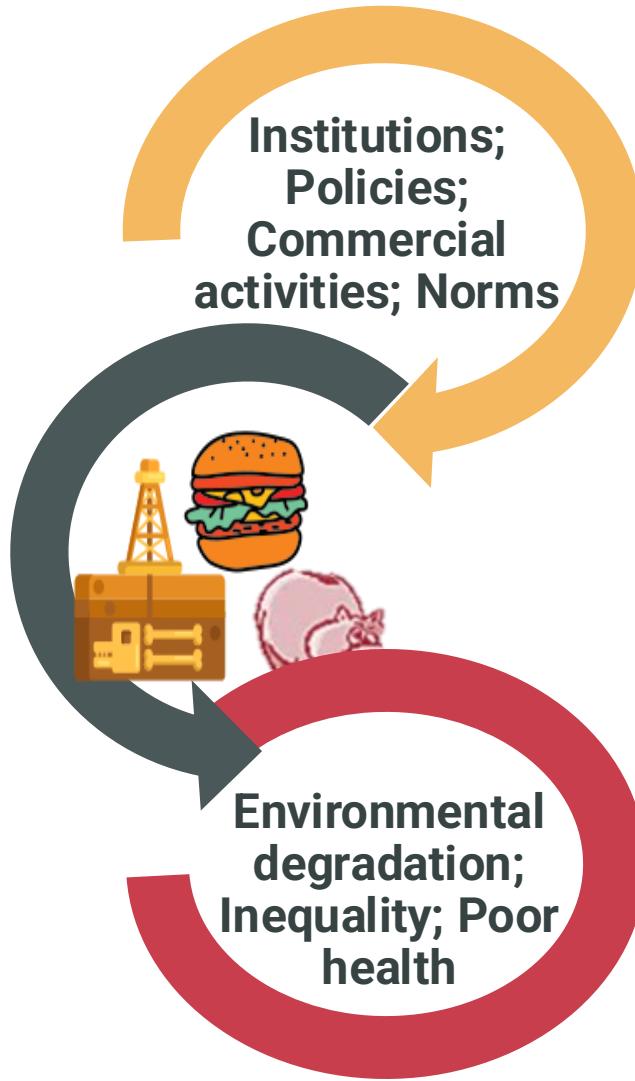

"...the equitable enjoyment of good health in a stable Earth system"

Planetary Health Equity Hothouse, 2025

The consumptogenic system

Friel, 2019

The web of institutions, policies, commercial activities and norms, that incentivise and reward excessive production and consumption of fossil fuel-reliant goods and services that are unhealthy and inequitably valued and distributed

The research puzzle

The research puzzle

1. Who is Commonwealth Treasury?

The research puzzle

1. Who is Commonwealth Treasury?

2. What is a wellbeing economy?

The research puzzle

1. Who is Commonwealth Treasury?
2. What is a wellbeing economy?
3. What happens when you put the two together?

(Initial) interview analysis and findings

(Initial) interview analysis and findings

1. Many assumptions about Treasury officials are wrong

(Initial) interview analysis and findings

1. Many assumptions about Treasury officials are wrong
2. There is a culture of deference to the Treasurer
