

2025 National Forum on Australia's Wellbeing

Wellbeing In Action

21st to 23rd October 2025 Ngunnawal and Ngambri Country - Canberra

VICE CHANCELLOR
HON BILL SHORTEN

WE LEAVE OUR
FOOTPRINT ON THIS
LAND THANKS TO
OUR NGUNNAWAL
ELDERS

AS LORENZO SAYS:
WE OWE IT TO OUR
CHILDREN TO BUILD
WELLBEING INTO
ALL ASPECTS OF
AUSTRALIA

MY DEMOGRAPHIC IS
EXPERIENCING A
DOWNTURN IN WELLBEING

LET'S
BRING
ACTION
TO THE
POLICY OF
WELLBEING

OUR
CARERS
ARE EXPERIENCING
POOR
WELLBEING

THERE ARE METRICS
OTHER THAN
ECONOMICAL/
FINANCIAL

MORE IMPORTANT THAN
PRESTIGE IS
WELLBEING

WE NEED A SOFT-
JOURNEY OF
SUPPORT ... WITH
A "HARD" ENDING
OF A DEGREE

ENJOY THE
CONVERGENCE
OF IDEAS

DEVELOPMENT
MAY SEEM SLOW
BUT IT IS HAPPENING.

DEVELOPMENT
SEEM "GLACIAL"
AT TIMES...

I HOPE
YOU HAVE
A LOVELY
CONFERENCE.
THANK
YOU :)
